6 Watching shows from the TV Store

In the TV Store you can buy individual episodes or full seasons of some of the most popular TV shows. TV shows can't be rented. When you buy a TV episode or season you are buying the right to watch it as often as you like on your current Fetch subscription with your current Fetch Service Provider.

Menu > TV > TV Store

- 1 Select TV Store from TV on the main menu and press .
- 2 Select a TV show. The show names and number of seasons and episodes available are shown.

Once you confirm the purchase the amount will come off your credit card for Fetch retail customers or will be added to your next month's bill from your Fetch Service Provider.
- 5 If your purchase is successful the first available episode will be ready to play.

Cost to buy TV episodes and seasons

TV episodes cost \$3.49 for HD and \$2.99 for SD. The price will vary on occasion when specific sales might be on. Season prices will vary depending on how many episodes are in the season, but you do save money buying the whole season rather than the individual episodes.

Episode purchases don't count towards a Season purchase, so if you think you want to watch the whole season it's better to buy it all at once.

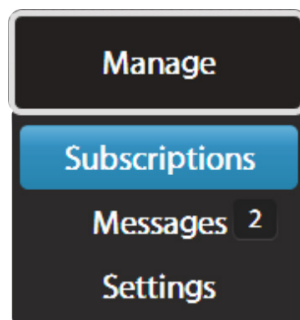

7 Adding more Channels

Bite-sized channel packs can be added on a month-to-month basis.

You can add one or multiple packs, with 5 to choose from:

- Kids Pack (10 channels)
- Vibe Pack (13 channels)
- Variety Pack (9 channels)
- Knowledge (17 Channels)
- Ultimate Pack (49 channels, including all of the channels from the above packs)

How to add a pack

Menu > Manage > Subscriptions

- 1 Select Manage from the main menu and then choose Subscriptions.
- 2 Use  to see available packs. Press  to select pack. Explore channels in pack using .
- 3 Press  to subscribe to a pack. Repeat to unsubscribe. Subscriptions on channel packs are for a minimum of 1 month.

The minimum contract term on each pack is 1 month, and you can add or remove them at any time with no ongoing costs.

Important pack changes

What's happening to the Entertainment Pack?

The Entertainment Pack is being phased out in 2017. You can stay on this pack if you wish, but if you remove it, you can't add it again.

What's in the Ultimate Pack?

Upgrade to the Ultimate Pack for all the Entertainment channels and more. The Ultimate Pack includes all four Skinny Packs: Vibe, Variety, Knowledge, and Kids.

If you prefer, you can also add just one or two Skinny Packs rather than the Ultimate Pack. If you try to add all Skinny Packs, we'll prompt you to get the Ultimate Pack as this is more cost-effective.

If you have the Entertainment Pack, you'd need to remove it before you can upgrade to the new Ultimate or Skinny Packs.

For more info on available channels, go to: fetchtv.com.au/packages

Do I need one pack to add more packs?

Before, you needed the Entertainment Pack to subscribe to some packs. Now, you don't need a prior pack subscription to add more packs. So you don't need one Skinny Pack to add another or the Ultimate Pack to add a World Channel Pack.

Can I downgrade from Ultimate Pack?

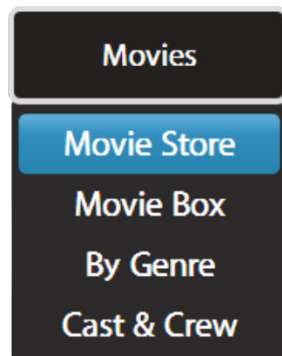

To downgrade from the Ultimate Pack to one or more Skinny Packs, you'd need to remove the Ultimate Pack first. You can then add just the Skinny Packs you want.
